All athletes must submit a completed registration form with medical and contact information. All new athletes must submit a **copy** of his/her birth certificate within a week of registration. This will aid the volunteer admin team in getting athletes registered for meets that require proof-of-age. Also, please note that we rely heavily on email and website communication for contacting parents when practices have to be canceled or to provide meet information. The staff and members of the Virginia Special Forces Track Club would like to thank you in advance for your support, time and efforts in making the 2013 season a success. We look forward to “catching a dream” and keeping our young people on the right track.

Guidelines, registration/medical form, meet schedule and other information or updates may be obtained from the club’s website at: www.sftrack.org.
