

March 20, 2012

Dear Parents & Future Members:

After completing one our most successful seasons in history, 6 All-Americans on the track and field, and two All-Met 1<sup>st</sup> team selections this fall and winter we press on. The Virginia Special Forces Track Club will begin its 2012 season officially on March 22, 2012. Practice will be held on Tuesdays and Thursdays 6:30 p.m. until 8:30 at the latest at the Flexx Sports Center at the National Conference Center (NCC) in Lansdowne, Virginia and on Sunday's at Briar Woods High School in Ashburn, VA. Registration will commence in the near future. In the meantime will conduct Sunday at 3:30pm at the NCC as well for training. The session fee for Spring is \$375 (\$300 for siblings) and the same for Summer session when determined. Spring session runs from March 22 – June 14. Note: Admin and asst. coach support at meets will be critical this year with loss of our dear friend, Team Mom MVP, Lori Riddick, severe car accident involving Coach Sarah Fleishman, and the upcoming surgery for our other MVP Kerry Thomas! Please support the ladies whether you know them or not.

Summer session runs from June 15 – August 15 will be determined after meeting with several organizations and determining the level of commitment as it relates to volunteer support and the formation of group “The Truth” to ensure more success this summer. Payment will be due no later than 2 weeks from the date that your child begins practice. Registrations done after April 1, 2012 will require payment on the date of registration. The only exception to the deadline will be for those athletes who are currently participating in High School or Junior High School track programs. For those of you that ordered sweat suits last season we will credit this to your registration fee or credit you if o the purchase we order new sweat suits this year.

The registration fee for the season is \$115.00 for each athlete. The register covers the following:

- Evaluation- \$35\*
- Uniform- \$35\*
- Custom Warm up suit **\$75 (TBD later pretty hot out right now)**
- Track meet entry fees (5 meets)- \$25\*
- T-Shirt - \$10
- LCPRC Fee- \$10\*

\*\*\*Items marked with an \* are required fees for Spring 2012.\*\*\*

Virginia Special Forces will accept personal checks for the registration and session fees.

Alternatively, if you wish to pay installments of \$125 for the session fees, you may do so using EFT.

**Note:** The session fee is \$375. If your child decides not to finish the season, the fee remains your obligation to pay.

Registration fee does not cover 1) USAT&F card; 2) AAU card; and 3) regional and championship meet entry fees. These fees are covered individually. Virginia Special Forces will provide equipment and first aid need for meets. Registrations will not be considered complete until the volunteer form is completed and uniforms will only be distributed after the registration fee has been paid.

All athletes must submit a completed registration form with medical and contact information. All new athletes must submit a **copy** of his/her birth certificate within a week of registration. This will aid the volunteer admin team in getting athletes registered for meets that require proof-of-age. Also,

please note that we rely heavily on email and website communication for contacting parents when practices have to be canceled or to provide meet information. The staff and members of the Virginia Special Forces Track Club would like to thank you in advance for your support, time and efforts in making the 2012 season a success. We look forward to “catching a dream” and keeping our young people on the right track.

Guidelines, registration/medical form, meet schedule and other information or updates may be obtained from the club’s website at: [www.sftrack.org](http://www.sftrack.org).
